Each Commission grantee will:

- read and review the [2025-2026 Guidelines for Funding](#) before applying;
- notify the VCA of any changes in its tax-exempt status with the Internal Revenue Service under Section 501(c)(3). It must also file the IRS Form 990 or 990-N annually.
- maintain and provide complete and accurate records of all activities connected with the grant;
- maintain accounting records that are supported by source documentation;
- maintain effective control over and accountability for all funds, property, and other assets ensuring that assets are used solely for authorized purposes;

- provide the VCA, or its authorized representatives, access to the grant-related financial records if required;
- notify the VCA of any substantial changes in its budget, programming, and key personnel. Failure to do so will affect current and future funding;
- expend any and all grant funds only for purposes described in the application form and attachments.

Each Commission grantee will comply with these federal statutes and regulations:

The VCA and all of its grantees are contractually committed to abiding by federal regulations which bar discrimination on the basis of race, color, national origin, disability, age, or sex and which require accessibility for persons with disabilities, including but not limited to:

- **Title VI of the Civil Rights Act of 1964, as amended**, and implemented by the National Endowment for the Arts at 45 USC 1110, provides that no person in the United States shall, on the grounds of race, color, or national origin, be excluded from participation in, be denied benefits of, or be subject to discrimination under any program or activity receiving Federal financial assistance. Title VI also extends protection to persons with limited English proficiency (42 USC 2000d et seq.)
- **As clarified by Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency**, national origin discrimination includes discrimination on the basis of limited English proficiency (LEP). To ensure compliance with Title VI, you must take reasonable steps to ensure that LEP persons have meaningful access to your programs. Meaningful access may entail providing language assistance services, including oral and written translation, where necessary.
- **Title IX of the Education Amendments of 1972, as amended**, provides that no person in the United States shall, on the basis of sex, be excluded from participation in, be denied benefits of, or be subject to discrimination under any education program or activity receiving Federal financial assistance (20 USC 1681 et seq.)
- **The Age Discrimination Act of 1975, as amended**, provides that no person in the United States shall, on the basis of age, be excluded from participation in, be denied benefits of, or be subject to discrimination under any program or activity receiving Federal financial assistance (42 USC 6101 et seq.)
- **The Americans with Disabilities Act of 1990 (ADA), as amended**, prohibits discrimination on the basis of disability in employment (Title I); State and local government services (Title II); and places of public accommodation and commercial facilities (Title III) (42 USC 12101-12213).
- **Section 504 of the Rehabilitation Act of 1973, as amended**, provides that no otherwise qualified individual with a disability in the United States shall, solely by reason of his/her disability, be excluded from participation in, be denied benefits of, or be subject to discrimination under any program or activity receiving Federal financial assistance (29 USC 794). Access should be integrated into all facets and activities of an organization, from day-to-day operations to long range goals and objectives. All organizations are legally required to provide reasonable and necessary accommodations for staff and visitors with disabilities (including the location and content of all funded programs).

Final Reporting Requirements

Each GOS or OSS grantee will submit a final report to the Commission within thirty (30) days of the end of the grant period and no later than June 1, 2025. The final report forms PART 1 (due June 1, 2025) and PART 2 (due October 1, 2025) can be found on the applicant's online "dashboard" under *Follow Ups*. PART 2 requires a year-end financial statement of all income and expenses of the grantee organization for the fiscal or calendar year in which the grant funds were received.

Final Reporting Violations and Consequences

A late final report is a violation of the VCA's grants contract and will be taken into consideration when an organization applies for future grants. Funding may be denied, or future grants may be paid on a reimbursement basis based on reporting practices. An extension of the report due date may be requested in exceptional circumstances. Requests for final reporting extensions must be made in writing before the report due date.

Any reports more than five weeks delinquent (not received or incomplete) may be turned over to the Attorney General's office for collection. If a grantee's grant contract must be turned over to the Attorney General's Office for collection, the grantee will not be eligible for current or future grant funds for one fiscal year. Grantees must pay any collection agency costs involved in the VCA's obtaining a final report or grant refund.
